2" & 3" Cylinders

# Pure, polished, precision...

The ultimate family of cylinders for all your layers of light

You told us you needed beautiful lighting with a high level of fit, finish and flexibility to overcome the challenges posed by exposed ceilings in retail and hospitality environments. You asked for a complete multi-mount family with easy installation for compressed timelines in office and hotel spaces.

You wanted choice including direct/indirect, downlight, wall wash and adjustable accent combined with a myriad of mounting choices that include solid or cable pendant, wall mount, ceiling mount, dual cable mount and stem mount. Lightolier listened, and we are stoked to bring you Calculite precision cylinders... everything you asked for and more.

### Designed with designers in mind

- The largest array of cylinder options in the US market.
- · Available in RAL colors or white, aluminum, and black finishes.
- · Complementary design and finish to OmniSpot track family.
- Line expansion provides simplest choice to specify projects.
- Full line of downlights, wall wash, and accents.
- · Wide distribution allows for greater spacing.
- 3" suspended cable mount provides independent control of direct and indirect light
- Expands on 2SDCM color consistency between Calculite and OmniSpot families.
