Powerful all-in-one Flat Downlight Select – Impress your toughest customer with CCT select on the fly

Powerful all-in-one Lightolier LED Flat Downlight Select – Impress your toughest customer with CCT select on the fly and contractor friendly installation connectors. Designed to significantly reduce your installation challenges on site. Get more done in less time!

Benefits

This affordable downlight measures only 1/2" in depth, with a junction box only about 1" deep, which will significantly reduce your challenges with tight ceiling plenum space or other barriers. The 4 CCT selectable feature and the contractor friendly installation pre-wired kit connectors will help improve installation time on site.

Flat Downlight Select LED

4" and 6" aperture recessed downlight

Features

- Quick and easy installation without frame or reflector.
- Contractor friendly installation with pre-wired quick connectors inside the electrical box supplied.
- Junction box clips to luminaire meeting National Electric Code (NEC).
