Floodlights

General purpose floods

FL150/300

## Versatile & stylish for a wide range of applications

The Keene LED General purpose floodlights offer energy saving LED technology for long life and reduced maintenance.

### Loads of options

With two complementary sizes to choose from, these floodlights provide uniform illumination, simplified installation, and a rugged robust design. Mounting is made easy with flexibility for ground mount, wall mount, or pole mount installations. They are an ideal choice for sign lighting, building facades, security lighting, and general purpose floodlighting applications.

# FL General purpose floods

- Complete family of LED floodlights ideal for illuminating signs, building facades or other dark areas.
- Can be mounted on the ground, wall, or pole-mounted.
- Discreet and modern design
- All sizes arrive fully assembled and ready to install. The FL150 has trunnion mount and the FL300 has trunnion or slip fitter mount.
- Fade-resistant, textured bronze finish with tempered glass lens that is heat and impact resistant.
- IP66 rated.
- 5 year limited warranty.
