Universal
120-347V

With 3 colour temperature selections, 3 wattage choices, and 3 sizes available, you can provide numerous options to your customers, while keeping inventory levels and SKU count low. Available for use in recessed and surface mount applications, the SBP is a versatile luminaire that is ideal for general lighting applications.

SBP Selectable backlit panel

Carry less stock with more options

- Wattage and CCT are selectable via DIP switch on back of luminaire
- Overall 1-1/2" deep luminaire, including driver box, provides minimal intrusion into the plenum space
- Even distribution of light on the lens provides exceptionally low glare gradient minimizing distractions at the ceiling plane
- General light distribution creates uniform horizontal and vertical illuminance on the workplane and limits scalloping on the walls
- Excellent consistency of correlated colour temperature (CCT) per ANSI C78.377
- CRI 80 minimum colour rendering with balanced spectrum
