

# Smart lighting capable

RoadFocus & Interact City:  
your smart city building blocks

## interact City

**Interact City** is a connected LED lighting system which helps you improve services, beautify public spaces and increase energy efficiency. The connected LED lighting system and management software enable you to remotely manage, monitor and control all your city lighting from one single dashboard. Every RoadFocus Plus luminaire is Interact City compatible.

- ✓ Manage your city's lighting system in real-time through a single Interact City dashboard
- ✓ Provides robust infrastructure to help improve city services, improve citizen security and beautify public spaces
- ✓ Reduces energy costs and increases efficiency so you can reinvest savings

Above all,  
high performance  
with a purpose

# Designed with a purpose

# Cost effective with an efficient output

- **HighFocus Plus is designed with 41%** lower weight than previous generations
- **HighFocus Plus provides 10%** higher lumen output compared to previous generations

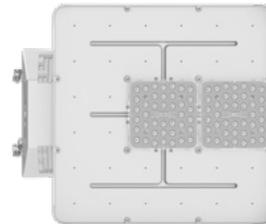

HighFocus Plus offers leading performance with a wide range of optical distributions ranging from 400W to 1000W+ HID replacements.

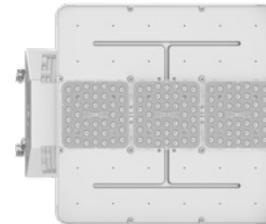

## Features

- Multiple lumen packages with industry leading efficacy.
- Complete array of optical distributions.
- Highly sustainable option featuring reduced material requirements and size, as well as optimal energy efficiency.
- 7 pin receptacle and dimming driver standard, enabling connected lighting.
- Service Tag included, enabling data delivery, information sharing and product assistance.
- Ideal for road and street lighting, as well as parking and area lighting.

## HighFocus Plus

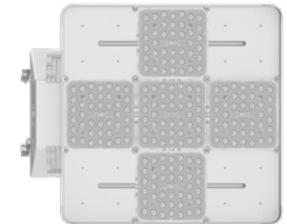

**2 board configuration**  
(Up to 31,000 lumens)

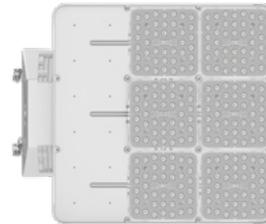

**3 board configuration**  
(Up to 48,000 lumens)

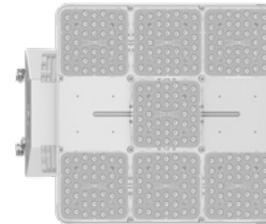

**4 board configuration**  
(Up to 64,000 lumens)

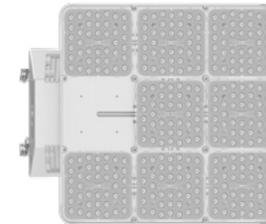

**5 board configuration**  
(Up to 77,000 lumens)

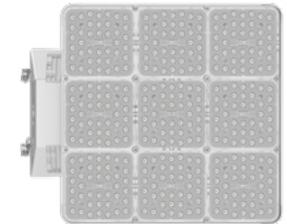

**6 board configuration**  
(Up to 87,000 lumens)

**7 board configuration**  
(Up to 99,000 lumens)

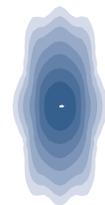

**8 board configuration**  
(Up to 109,000 lumens)

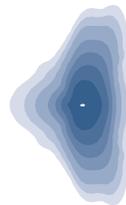

**9 board configuration**  
(Up to 132,000 lumens)
