

Maxos accessories

9MX056 EP BK SET

Maxos accessories, Normal, 9MX056 | ACC MAXOS, Black

The swivel device is a versatile mechanical connecting device for Maxos TL-D and TL5 light-lines and enables variable angles between the light-lines. The minimum angle is 45 degrees. Due to its attractive design it is often used in application areas such as shops, schools and museums. Up to four light-lines can be connected with one swivel device. The housing is made of plastic, with a white or silver coating, and with inner supporting elements made of steel. If needed, the swivel device can accommodate lighting control sensors, loudspeakers, etc. It is pre-mounted with an adjustable quick hanger with a 1.25 m steel suspension wire. One dedicated coupling piece (9MX056 CP-SD WH/SI) per trunking section is necessary to connect the trunking to the swivel device. Electrical components for mains feed-through have to be ordered as required.

Product data

Operating and Electrical	
Protection class IEC	-
Mechanical and Housing	
Ingress protection code	-
Accessory color	Black
Net Weight (Piece)	0.033 kg
Approval and Application	
CE mark	Yes
EU RoHS compliant	Yes
Sustainability Data	
Non-virgin material ratio of the packaging	Cardboard > 80% recycled

Packaging Recyclable content ratio	Cardboard recycling rate > 80%
Packaging Material	Cardboard
Product Data	
Order product name	9MX056 EP BK SET
Full product name	9MX056 EP BK SET
Full product code	403073225200800
Order code	25200800
Material Nr. (12NC)	910629113426
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	4030732252008
Numerator - Packs per outer box	1
EAN/UPC - Case	4030732252008
Product family code	9MX056 [ACC MAXOS]
