## 9MX056 CBA BK

Maxos accessories, Normal, 9MX056 | ACC MAXOS, Czarny

The swivel device is a versatile mechanical connecting device for Maxos TL-D and TL5 light-lines and enables variable angles between the light-lines. The minimum angle is 45 degrees. Due to its attractive design it is often used in application areas such as shops, schools and museums. Up to four light-lines can be connected with one swivel device. The housing is made of plastic, with a white or silver coating, and with inner supporting elements made of steel. If needed, the swivel device can accommodate lighting control sensors, loudspeakers, etc. It is pre-mounted with an adjustable quick hanger with a 1.25 m steel suspension wire. One dedicated coupling piece (9MX056 CP-SD WH/SI) per trunking section is necessary to connect the trunking to the swivel device. Electrical components for mains feed-through have to be ordered as required.

### Dane produktu

<b>Eksploatacja i połączenie elektryczne</b>		<b>Pełna nazwa produktu</b>		9MX056 CBA BK
Klasa ochrony IEC	-	Full EOC		403073225202200
<b>Mechanika i korpus</b>		Kod zamówienia		25202200
Kod stopnia ochrony	-	Materiał Nr (12NC)		910629113626
Kolor akcesorium	Czarny	Numerator – Liczba sztuk w opakowaniu		1
Waga netto (szt.)	0,115 kg	EAN/UPC – Produkt/opakowanie		4030732252022
