

Maxos accessories

9MX056 CPI

Maxos accessories, Normal, 9MX056 | ACC MAXOS

The swivel device is a versatile mechanical connecting device for Maxos TL-D and TL5 light-lines and enables variable angles between the light-lines. The minimum angle is 45 degrees. Due to its attractive design it is often used in application areas such as shops, schools and museums. Up to four light-lines can be connected with one swivel device. The housing is made of plastic, with a white or silver coating, and with inner supporting elements made of steel. If needed, the swivel device can accommodate lighting control sensors, loudspeakers, etc. It is pre-mounted with an adjustable quick hanger with a 1.25 m steel suspension wire. One dedicated coupling piece (9MX056 CP-SD WH/SI) per trunking section is necessary to connect the trunking to the swivel device. Electrical components for mains feed-through have to be ordered as required.

Product data

Operating and Electrical		Packaging Recyclable content ratio	
Protection class IEC	-	Packaging Material	Cardboard recycling rate > 80%
Mechanical and Housing		Cardboard	
Ingress protection code	-	Product Data	
Accessory color	-	Order product name	9MX056 CPI
Net Weight (Piece)	0.220 kg	Full product name	9MX056 CPI
Approval and Application		Full product code	403073210809100
CE mark	Yes	Order code	10809100
EU RoHS compliant	Yes	Material Nr. (12NC)	910681003526
Sustainability Data		Numerator - Quantity Per Pack	1
Non-virgin material ratio of the packaging	Cardboard > 80% recycled	EAN/UPC - Product/Case	4030732108091
		Numerator - Packs per outer box	1
		EAN/UPC - Case	4030732108091
		Product family code	9MX056 [ACC MAXOS]
