

Maxos, Accessoires

9MX056 BC58 SI

Maxos, Accessoires, Normal, 9MX056 | ACC MAXOS, Argent

The swivel device is a versatile mechanical connecting device for Maxos TL-D and TL5 light-lines and enables variable angles between the light-lines. The minimum angle is 45 degrees. Due to its attractive design it is often used in application areas such as shops, schools and museums. Up to four light-lines can be connected with one swivel device. The housing is made of plastic, with a white or silver coating, and with inner supporting elements made of steel. If needed, the swivel device can accommodate lighting control sensors, loudspeakers, etc. It is pre-mounted with an adjustable quick hanger with a 1.25 m steel suspension wire. One dedicated coupling piece (9MX056 CP-SD WH/SI) per trunking section is necessary to connect the trunking to the swivel device. Electrical components for mains feed-through have to be ordered as required.

Données du produit

Fonctionnement et électricité	
Classe de protection CEI	-
Mécanique et boîtier	
Indice de protection	-
Couleur des accessoires	Argent
Poids net (pièce)	0,260 kg
Approbation et application	
Marquage CE	Oui
Conforme à RoHS	Oui
Données du produit	
Nom du produit de la commande	9MX056 BC58 SI

Nom de produit complet	9MX056 BC58 SI
Code EOC	403073253888199
Description du code local calculé B2B	9MX056BC58S
Code de commande	4030732538881
