

# Maxos fusion

## LL512Z CD SI

LL512Z | Maxos fusion Acc., Silver

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With the electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future lay-out changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

### Product data

General Information		Overall length	
Service tag	Yes	Overall width	1,137 mm
Value ladder	Specification	Overall height	63 mm
Warranty period	5 years	Dimensions (Height x Width x Depth)	42 mm
Operating and Electrical		Material	42 x 63 x 1137 mm
Input Voltage	- V	Ingress protection code	Steel
Line Frequency	- Hz	Mech. impact protection code	-
Protection class IEC	-	Accessory color	IK02 [0.2 J standard]
Mechanical and Housing		Net Weight (Piece)	Silver
Housing Material	Steel	Approval and Application	0.930 kg
Fixation material	Stainless steel	Flammability mark	For mounting on normally flammable surfaces
Housing Color	Silver	CE mark	Yes

## Maxos fusion

EU RoHS compliant	Yes
<b>Product Data</b>	
Order product name	LL512Z CD SI
Full product name	LL512Z CD SI
Full product code	871869637465899
Order code	910925864241
Material Nr. (12NC)	910925864241

Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8718696374658
Numerator - Packs per outer box	10
EAN/UPC - Case	8718696383599
Product family code	LL512Z [Maxos fusion Acc.]
