

LL600Z | Maxos fusion Acc., White

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With the electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future lay-out changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

General Information

Value ladder	Specification
--------------	---------------

Operating and Electrical

Input Voltage	- V
Line Frequency	- Hz

Protection class IEC	-
----------------------	---

Product Data

Order product name	LL600Z BC L1040 WH
--------------------	--------------------

Full product name	LL600Z BC L1040 WH
-------------------	--------------------

Full EOC	871869698948799
----------	-----------------

Order code	910925864957
------------	--------------

Material no. (12 NC)	910925864957
----------------------	--------------

Numerator – quantity per pack	1
-------------------------------	---

EAN/UPC — Product/Case	8718696989487
------------------------	---------------

Numerator – packs per outer box	32
---------------------------------	----

EAN/UPC - Case	8718696987353
----------------	---------------

Product family code	LL600Z [Maxos fusion Acc.]
---------------------	----------------------------

Mechanical and Housing

Overall length	1,040 mm
----------------	----------

Overall width	60 mm
---------------	-------

Overall height	8.5 mm
----------------	--------

Dimensions (height x width x depth)	9 x 60 x 1040 mm
-------------------------------------	------------------

Material	Polycarbonate
----------	---------------

Ingress protection code	-
-------------------------	---

Mech. impact protection code	-
------------------------------	---

Accessory colour	White
------------------	-------

Net Weight (Piece)	0.098 kg
--------------------	----------

Approval and Application

CE mark	Yes
---------	-----

EU RoHS compliant	Yes
-------------------	-----
