

# FlexBlend, Suspended

## SP340Z EP ACL WH

SP340Z | FLEXBLEND S&S ACCESSORIES, - V, White

Philips FlexBlend is an attractive family of surface-mounted and suspended luminaires, next to FlexBlend recessed. The luminaire range is enabling building owners to advance their lighting operations, by offering office-compliant lighting with a return on investment of less than three to four years. FlexBlend provides the required flexibility through an adaptable design. This gives the possibility to install the luminaires easily in the field, at any moment. Even when the luminaire is suspended today, tomorrow it can be adapted to a surface-mounted installation on site. And vice versa. . The suspended and surface-mounted luminaire range fits many different office spaces like open plan offices, corridors, reception areas or meeting rooms. FlexBlend is offered in both lines and as standalone, using the same lighting module. This gives users the option to use FlexBlend as standalone today, and tomorrow, as a line. The controller is integrated in the luminaire. As technology is changing fast, the ideal lighting solution is also expected to be ready to incorporate innovations that can help optimise operations further. For this reason, FlexBlend has all connectivity and future-ready options available. As a System Ready luminaire, it can be paired with lighting management systems such as the Philips SpaceWise, and to software-based lighting systems such as Interact Office wired (PoE) and Interact Office wireless and/or existing and upcoming sensor innovations. The luminaire range is therefore future-ready and can be delivered without any system component, and in a next phase, in the field to be upgraded. An attractive opportunity for new installations and renovations.

### Warnings and Safety

- The product is IP20 & as such is not protected against water ingress and as such we strongly recommend that the environment in which the luminaire is to be installed is suitably checked
- If the above advice is not followed and the luminaires are subject to water ingress, Philips/Signify cannot guarantee safe use and the product warranty will become void

### Product data

# FlexBlend, Suspended

## General Information

|              |             |
|--------------|-------------|
| Service Tag  | Yes         |
| Value ladder | Performance |

## Operating and Electrical

|                      |      |
|----------------------|------|
| Input Voltage        | - V  |
| Line Frequency       | - Hz |
| Protection class IEC | -    |

## Mechanical and Housing

|                              |               |
|------------------------------|---------------|
| Overall height               | 70 mm         |
| Material                     | Polycarbonate |
| Ingress protection code      | -             |
| Mech. impact protection code | -             |
| Accessory colour             | White         |
| Angle                        | -             |
| Net Weight (Piece)           | 0.250 kg      |

## Approval and Application

|                   |     |
|-------------------|-----|
| CE mark           | Yes |
| EU RoHS compliant | Yes |
