

# Maxos unify

## LL550E MPL Gen2 WH

### Maxos unify, Accessory

An adaptable LED trunking system, combining the well proven advantages of an electrical track which allows flexible positioning of linear panels offering multiple flux/ length combinations with specially designed lenses to direct the light where needed. A solution allowing for new projects to be designed with an optimal number of linear panels and a solution for retrofitting old installations – Bringing your application right up to date with the latest lighting possibilities. Now and in the future.

### Product data

| General Information                 |                         |
|-------------------------------------|-------------------------|
| Value ladder                        | Specification           |
| Operating and Electrical            |                         |
| Input Voltage                       | 222 to 240 V            |
| Line Frequency                      | 50 to 60 Hz             |
| Protection class IEC                | Safety class I          |
| Mechanical and Housing              |                         |
| Overall length                      | 213 mm                  |
| Overall width                       | 96 mm                   |
| Overall height                      | 111 mm                  |
| Dimensions (height x width x depth) | 111 x 96 x 213 mm       |
| Material                            | Steel                   |
| Ingress protection code             | IP20 [Finger-protected] |
| Mech. impact protection code        | IK02 [0.2 J standard]   |
| Accessory colour                    | White                   |

| Net Weight (Piece)              | 0.800 kg                                    |
|---------------------------------|---------------------------------------------|
| Approval and Application        |                                             |
| CE mark                         | Yes                                         |
| EU RoHS compliant               | Yes                                         |
| Product Data                    |                                             |
| Order product name              | LL550E MPL Gen2 WH                          |
| Full product name               | LL550E MPL Gen2 WH                          |
| Full EOC                        | 872016995629200                             |
| Order code                      | 910925870977                                |
| Material no. (12 NC)            | 910925870977                                |
| Numerator – quantity per pack   | 1                                           |
| EAN/UPC – Product/Case          | 8720169956292                               |
| Numerator – packs per outer box | 1                                           |
| EAN/UPC - Case                  | 8720169956292                               |
| Product family code             | LL550E [Maxos unify electrical accessories] |
