

# EcoSet basic controls

## SEG101 PIR Wireless WH

Take the energy-saving capabilities of your lighting solutions to a whole new level with Philips EcoSet basic control system. This sensor solution is designed to deliver simple, reliable and affordable energy savings while further improving your energy sustainability. From offices and parking to industrial applications, Philips EcoSet basic control system comes in different versions to meet your exact needs – from plug and play to wired or wire free. It works by upgrading your conventional or LED luminaires with all the features of a basic controlled solution. So you can benefit from energy savings based on factors like movement detection, daylight harvesting, or group lighting control. Philips EcoSet basic control sensors are also simple to install, commission and maintain. Putting you in complete control of reliable and affordable energy savings from your existing lighting solutions.

### Product data

Mechanical and Housing		Full product name	
Net Weight (Piece)	0.170 kg	Full product code	SEG101 PIR Wireless WH
Approval and Application		Order code	692382865737699
CE mark	Yes	Material Nr. (12NC)	911401542902
EU RoHS compliant	Yes	Numerator - Quantity Per Pack	1
Ambient temperature range	-20 to +50 °C	EAN/UPC - Product/Case	6923828657376
Product Data		Numerator - Packs per outer box	10
Order product name	SEG101 PIR Wireless WH	EAN/UPC - Case	6923828657413
