

Ledinaire waterproof EcoSet

EXT2020 OCC DL MW AC Sensor S WH ESW

Ledinaire parking sensor EcoSet, wireless, motion, daylight, AC powered, IP65

The Philips Ledinaire waterproof EcoSet (WT075) introduces a unique plug-and-play wireless solution. This LED lighting waterproof offers an easy way to unlock more energy savings compared with on/off systems and enables simple automated lighting in parking garages. Our latest innovation enables our LED lighting waterproof luminaires to work with an external AC-powered microwave sensor to detect motion and daylight. These additional external lighting sensors trigger automated dimming of the luminaire. Setup is very simple, your lights are ready to use as soon as installed in the ceiling. What's even better – Ledinaire EcoSet contributes to a feeling of safety in parking spaces. Lights remain dimmed when not in use; enabling energy savings yet safety for visitors in parking spaces. A win-win.

Product data

General Information	
Value ladder	Value
Operating and Electrical	
Input Voltage	220 to 240 V
Line Frequency	50 or 60 Hz
Protection class IEC	Safety class II
Mechanical and Housing	
Overall height	44.5 mm
Overall diameter	95 mm

Material	Polycarbonate
Ingress protection code	IP67 [Dust penetration-protected, watertight]
Mech. impact protection code	IK05 [0.7 J]
Accessory color	White
Net Weight (Piece)	0.166 kg
Approval and Application	
CE mark	Yes
EU RoHS compliant	Yes

Ledinaire waterproof EcoSet

Product Data

Order product name	EXT2020 OCC DL MW AC Sensor S WH ESW
Full product name	EXT2020 OCC DL MW AC Sensor S WH ESW
Full product code	872016975229099
Order code	911401563143
Material Nr. (12NC)	911401563143

Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8720169752290
Numerator - Packs per outer box	10
EAN/UPC - Case	8720169752306
