

RC159Z Plaster Ceiling SMB-PLC

911401809287

Accessory, Grey

Plaster Ceiling Clips (PCV) provide a secure, efficient and visually integrated solution for installing compatible recessed luminaires into plasterboard ceilings. Designed specifically for solid and plaster-based ceiling structures, the clips ensure stable mechanical fixation without the need for additional ceiling frames or complex mounting hardware. Their precise fit and engineered clamping force keep the luminaire firmly in place while enabling a clean, flush appearance that maintains the aesthetic integrity of the ceiling plane. Compatible with several recessed luminaire families, including SlimBlend, CoreLine Panel Gen6 and Ledinaire Panel Gen5, the clips allow installers to confidently integrate recessed luminaires into areas where traditional T grid or modular ceilings are not available. Thanks to their simple and intuitive installation method, Plaster Ceiling Clips reduce installation time and eliminate unnecessary steps on site, making them ideal for renovation and new build projects alike. They deliver dependable long term performance with durable materials tested to Signify quality standards. Always consult the installation instructions of the selected luminaire family to confirm compatibility and ensure correct installation in plasterboard ceilings.

Warnings and Safety

- Always check ceiling suitability and follow the installation instructions for both the clip and the luminaire.
- Ensure the plasterboard structure can safely support the installed luminaire.
- Installation must be carried out by qualified personnel and in accordance with local building regulations.

Mechanical and Housing

Overall length	55 mm
Overall width	29 mm
Overall height	33 mm
Dimensions (height x width x depth)	33 x 29 x 55 mm
Material	Steel
Ingress protection code	-
Mech. impact protection code	-
Accessory colour	Grey
Net Weight (Piece)	0.025 kg

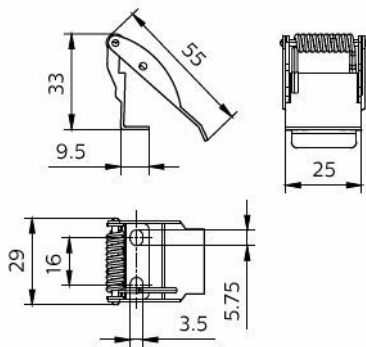

Product Data

Order product name	RC159Z Plaster Ceiling SMB-PLC
Full product name	RC159Z Plaster Ceiling SMB-PLC
Full EOC	872016975248199
Order code	911401809287
Material no. (12 NC)	911401809287
Numerator – quantity per pack	4
EAN/UPC — Product/Case	8720169752481
Numerator – packs per outer box	10
EAN/UPC - Case	8720169752535

Approval and Application

CE mark	Yes
EU RoHS compliant	Yes
