CoreLine slimdownlight delivers on the CoreLine promise of innovative, easy-to-use, and high-quality indoor LED downlights. CoreLine slimdownlight is an innovative range of recessed and surface-mounted luminaires. It is designed to provide uniform lighting across multiple application areas. With instant energy savings and a longer lifetime, this is an environmentally friendly and cost-saving solution. Its MultiColorTemp feature offers a choice of two colour temperatures in a single luminaire. This makes it easy to select the right product, gives you the flexibility to respond to customer preferences on site, and means fewer product codes on stock. Simple and easy installation means our slim downlight fits the same size cut-out, while the minimal built-in depth of 34mm makes this product an ideal space-saving solution, especially for projects with limited fitting space. InterAct Ready option with integrated wireless communications in this family is available, to be used with InterAct gateways, sensors and software.

General Information

Value ladder	Performance
--------------	-------------

Mechanical and Housing

Overall height	44.5 mm
Overall diameter	176.5 mm
Ingress protection code	-
Mech. impact protection code	IK03 [0.3 J]
Net Weight (Piece)	0.080 kg

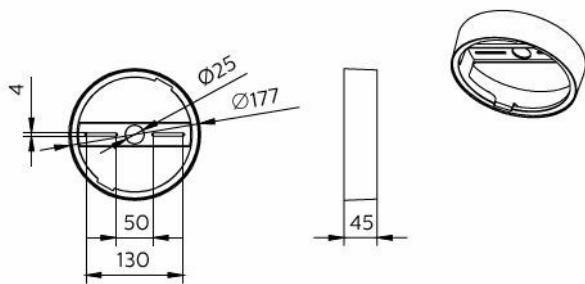

Approval and Application

CE mark	Yes
EU RoHS compliant	Yes

Product Data

Order product name	DN145Z SM Frame D150
Full product name	DN145Z SM Frame D150
Full EOC	872110331703299
Order code	911401895087
Material no. (12 NC)	911401895087
Numerator – quantity per pack	1
EAN/UPC — Product/Case	8721103317032
Numerator – packs per outer box	24
EAN/UPC - Case	8721103317186
