

# CoreLine SlimDownlight

## DN145Z SM Frame D200

IK03 | 0.3 J

CoreLine slimdownlight delivers on the CoreLine promise of innovative, easy-to-use, and high-quality indoor LED downlights. CoreLine slimdownlight is an innovative range of recessed and surface-mounted luminaires. It is designed to provide uniform lighting across multiple application areas. With instant energy savings and a longer lifetime, this is an environmentally friendly and cost-saving solution. Its MultiColorTemp feature offers a choice of two colour temperatures in a single luminaire. This makes it easy to select the right product, gives you the flexibility to respond to customer preferences on site, and means fewer product codes on stock. Simple and easy installation means our slim downlight fits the same size cut-out, while the minimal built-in depth of 34mm makes this product an ideal space-saving solution, especially for projects with limited fitting space. InterAct Ready option with integrated wireless communications in this family is available, to be used with InterAct gateways, sensors and software.

### Product data

General Information	
Value ladder	Performance

Mechanical and Housing	
Overall height	44.5 mm
Overall diameter	224.5 mm
Ingress protection code	-
Mech. impact protection code	IK03 [0.3 J]

Net Weight (Piece)	0.090 kg
--------------------	----------

### Approval and Application

CE mark	Yes
EU RoHS compliant	Yes

### Product Data

Order product name	DN145Z SM Frame D200
Full product name	DN145Z SM Frame D200

## CoreLine SlimDownlight

Full EOC	872110331704999
Order code	911401895187
Material no. (12 NC)	911401895187
Numerator – quantity per pack	1
EAN/UPC – Product/Case	8721103317049

Numerator – packs per outer box	20
