

TubeLine

ZGP360 BA TUBELINE (2 PCE)

ZGP360 | TubeLine Acc.

For customers who demand a high level of visual comfort from their tunnel luminaires, fluorescent linear lighting has traditionally been the preferred choice. With excellent light uniformity on the road and walls, perfect visual guidance and high color rendering, linear lighting offers drivers superior lighting quality and safety. It also promises high system redundancy compared to point source lighting solutions. With TubeLine tunnel luminaires, you can achieve the same lighting quality, but with all the added advantages of LED technology. TubeLine is a state-of-the-art tunnel luminaire that harnesses the latest LED technology with optimized dimensions and attractive pricing for a quick return on investment. Linear lighting has never been more achievable for tunnel lighting and underpass lighting on a limited budget.

Product data

| General Information | | Approval and Application | |
|-------------------------------------|-----------------|---------------------------------|----------------------------|
| Service tag | Yes | CE mark | Yes |
| Value ladder | Specification | EU RoHS compliant | Yes |
| Mechanical and Housing | | Product Data | |
| Overall length | 40.5 mm | Order product name | ZGP360 BA TUBELINE (2 PCE) |
| Overall width | 78.7 mm | Full product name | ZGP360 BA TUBELINE (2 PCE) |
| Overall height | 32.6 mm | Full product code | 871869910112100 |
| Dimensions (Height x Width x Depth) | 33 x 79 x 41 mm | Order code | 10112100 |
| Material | Aluminum | Material Nr. (12NC) | 912300023728 |
| Accessory color | Aluminum | Numerator - Quantity Per Pack | 1 |
| Net Weight (Piece) | 0.475 kg | EAN/UPC - Product/Case | 8718699101121 |
| | | Numerator - Packs per outer box | 1 |
| | | EAN/UPC - Case | 8718699101121 |
