

Interact Controller Kits

IAP SBA 0-10V RS

Expand Your Smart Lighting Capabilities with Signify Interact Wireless Controller Kits. Each kit includes integrated either controllers, or occupancy and daylight sensors, enabling effortless wireless control and grouping of multiple luminaires. Enjoy powerful features like switching, dimming, energy metering, and seamless connectivity with other Signify Interact devices. Manage all your building's lights from one unified system and take full control with Signify Interact.

Product data

General Information	
Mounting	Recessed
Value ladder	Specification
Operating and Electrical	
Voltages	120/347 V
Controls and Dimming	
Connectivity	Interact Ready
Mechanical and Housing	
Net Weight (Piece)	2.180 kg

Approval and Application	
Safety Listing	UL
Product Data	
Order product name	IAP SBA 0-10V RS
Full product name	IAP SBA 0-10V RS
Order code	SBAZ10-CS-RS
Material Nr. (12NC)	912401050737
Numerator - Quantity Per Pack	1
Numerator - Packs per outer box	1
