

# CitySoul poles and brackets

## YHB709 CONE 6000 3x2xHOLE-M10-106 RAL

6.0 m, RAL color

CitySoul gen2 is one of the most versatile and inspirational urban street lighting families designed by Signify to date. This highly efficient range delivers excellent lighting levels whilst also providing the right ambiance for all urban application areas, from the outskirts of the city right through to the city center. By evolving the modularity of the CitySoul family and adding new innovations like the Lyre and the Accent bracket, Signify has made this range the ideal toolbox for every urban context. The design is flatter, completely round, and the transitions with the spigot and bracket entirely flush, thereby giving your cityscape a coherent, elegant and discreet identity. Designed around its LED engine, CitySoul gen2 is highly efficient and easy to maintain. It comes in two sizes and is suitable for side-entry, post-top, catenary and suspended mounting.

### Product data

Mechanical and Housing	
Fixation diameter	Mounting device diameter 60 mm
Pole top diameter	60 mm
Pole height	6.0 m
