

Group Dimming, Programmable Dimming, Controlling using Fixed Calendars, Astro Clock, Photocells (Central/Individual) , Alarms

Signify Group Cabinet Control enables remote grouping, monitoring and controlling of diverse outdoor luminaires. Customers can control their lighting installations, through a retrofitted modular cabinet solution at the electrical cabinet. Supports optimised energy consumption and manages KPIs better. The solution autonomously executes complex tasks based on the configurations. The Controller can automatically switch between different available communications carriers to provide stable and reliable communications to Interact application(s).

Warnings and Safety

- Refer to Documentation portal for all technical documents (<https://www.sns.portal.signify.com/internal/index.html/>);
- Verify the applicable local LTE band before placing an order for the controller;

- No UL certification in Gen3+ controller and modules.
- Update the forecast for Gen3+ in the Koolog tool to ensure on-time delivery for projects.

Mechanical and Housing

Net Weight (Piece)	0.051 kg

Product Data

Order product name	LFC7510 AmpLight Current
Full product name	LFC7510 AmpLight Current
Full EOC	872790094750200
Order code	913700341103

Material no. (12 NC)	913700341103
Local order code	LFC7510
Numerator – quantity per pack	1
EAN/UPC – Product/Case	8727900947502
Numerator – packs per outer box	60
EAN/UPC – Case	8727900947519
