

Signify group cabinet control

LFC7530 AmpLight Battery

Signify Group Cabinet Control enables remote grouping, monitoring, and controlling of diverse outdoor luminaires. Customers can control their lighting installations, through a retrofitted modular cabinet solution at the electrical cabinet. Supports optimized energy consumption and manages KPIs better. The solution autonomously executes complex tasks based on the configurations. The Controller can automatically switch between different available communications carriers to provide stable and reliable communications to Interact application(s).

Warnings and Safety

- Refer to Documentation portal for all technical documents (https://www.sns.portal.signify.com/internal/index.html/);
- Check the local LTE band applicable before placing an order for the controller;
- No UL certification in Gen3+ controller and modules;
- Update forecast for Gen3+ in Koolog tool to ensure on-time delivery for projects

Product data

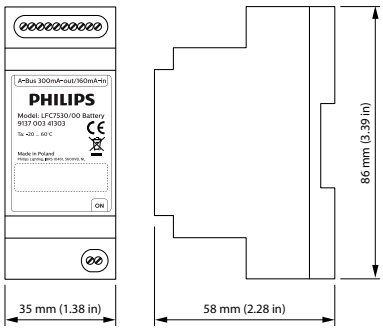

Mechanical and Housing	
Net Weight (Piece)	0.090 kg

Product Data	
Order product name	LFC7530 AmpLight Battery
Full product name	LFC7530 AmpLight Battery
Full product code	872790094762500
Order code	94762500

Material Nr. (12NC)	913700341303
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8727900947625
Numerator - Packs per outer box	60
EAN/UPC - Case	8727900947632
