

Dynalite Integration Devices

DLLI8180

Within any modern project, many third-party systems can be found performing different roles. Each separate system may use a different protocol for communication. Philips Dynalite has developed a range of gateway devices that can be used to synchronize these systems' functions into one integrated system solution. By utilizing the correct gateway, different systems can be integrated, allowing end-users access to a fully automated site from one interface. By successfully integrating third-party systems with a Dynalite solution, repetitive end-user interaction is reduced.

Product data

General Information	
Remarks	Please download the Lighting - Product Data Sheet for more information and ordering options
Temperature	
Ambient temperature range	0 to +50 °C
Approval and Application	
CE mark	CE mark
EU RoHS compliant	Yes
Product Data	
Order product name	DLLI8180

Full product name	DLLI8180
Full product code	871869600743300
Order code	913703023009
Material Nr. (12NC)	913703023009
Numerator - Quantity Per Pack	1
Net Weight (Piece)	18.000 g
EAN/UPC - Product/Case	8718696007433
Numerator - Packs per outer box	1
EAN/UPC - Case	8718696014936
