

Dynalite Integration Devices

DDMIDC8

Within any modern project, many third-party systems can be found performing different roles. Each separate system may use a different protocol for communication. Philips Dynalite has developed a range of gateway devices that can be used to synchronize these systems' functions into one integrated system solution. By utilizing the correct gateway, different systems can be integrated, allowing end-users access to a fully automated site from one interface. By successfully integrating third-party systems with a Dynalite solution, repetitive end-user interaction is reduced.

Product data

Mechanical and Housing	
Net Weight (Piece)	0.175 kg
Approval and Application	
CE mark	Yes
EU RoHS compliant	Yes
Remarks	Please download the Lighting - Product Data Sheet for more information and ordering options
Ambient temperature range	0 to +50 °C

Product Data	
Order product name	DDMIDC8

Full product name	DDMIDC8
Full product code	871016350784200
Order code	50784200
Material Nr. (12NC)	913703081109
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8710163507842
Numerator - Packs per outer box	1
EAN/UPC - Case	8710163507859
