Dynalite Multipurpose Controllers

DGTM104

Within any project, many different lighting load types may be required to achieve a desired result. Each of these load types may require a different style of control. The Dynalite range of multipurpose controllers allows customisation of output types via different output module units. When using DIN-rail multipurpose controllers, a specific type of control can be chosen for each circuit: relay, leading-edge dimmer, trailing-edge dimmer, driver control, controller with out-of-the-box functionality, fan control and blind/screen control. In any combination, multiple load types can be controlled from a single device. This simplifies installation and prevents wasted capacity of circuits that are not required.

Product data

Mechanical and Housing	
Net Weight (Piece)	28.500 g
Approval and Application	
Remarks	Please download the Lighting – Product Data Sheet for more information and ordering options
Product Data	
Order product name	DGTM104
Full product name	DGTM104

Full EOC	871869688772100
Order code	913703260609
Material no. (12 NC)	913703260609
Local order code	DGTM104
Numerator – quantity per pack	1
EAN/UPC – Product/Case	8718696887721
Numerator – packs per outer box	1
EAN/UPC - Case	8718696894729
