

Dynalite Multipurpose Controllers

DGBM200 V2

Within any project, many different lighting load types may be required to achieve a desired result. Each of these load types may require a different style of control. The Dynalite range of multipurpose controllers allows customisation of output types via different output module units. When using DIN-rail multipurpose controllers, a specific type of control can be chosen for each circuit: relay, leading-edge dimmer, trailing-edge dimmer, driver control, controller with out-of-the-box functionality, fan control and blind/screen control. In any combination, multiple load types can be controlled from a single device. This simplifies installation and prevents wasted capacity of circuits that are not required.

Product data

Mechanical and Housing		Full EOC	
Net Weight (Piece)	25.000 g	Order code	913703261209
Approval and Application		Material no. (12 NC)	913703261209
Remarks	Please download the Lighting – Product Data Sheet for more information and ordering options	Local order code	ZCX400DMXEHS
Product Data		Numerator – quantity per pack	1
Order product name	DGBM200 V2	EAN/UPC – Product/Case	8718696887783
Full product name	DGBM200 V2	Numerator – packs per outer box	1
		EAN/UPC – Case	8718696894781
