Dynalite Multipurpose Controllers

DSM2

Within any project, many different lighting load types may be required to achieve a desired result. Each of these load types may require a different style of control. The Dynalite range of multipurpose controllers allows customisation of output types via different output module units. When using DIN-rail multipurpose controllers, a specific type of control can be chosen for each circuit: relay, leading-edge dimmer, trailing-edge dimmer, driver control, controller with out-of-the-box functionality, fan control and blind/screen control. In any combination, multiple load types can be controlled from a single device. This simplifies installation and prevents wasted capacity of circuits that are not required.

Product data

Mechanical and Housing		
Net Weight (Piece)	1.150 kg	
Approval and Application		
Remarks	Please download the Lighting – Product Data Sheet for more information and ordering options	
Product Data		
Order product name	DSM2	
Full product name	DSM2	
Full EOC		871869600749500
Order code		913703500509
Material no. (12 NC)		913703500509
Local order code		DSM2-X
Numerator – quantity per pack		1
EAN/UPC – Product/Case		8718696007495
Numerator – packs per outer box		1
EAN/UPC - Case		8718696014998
