Dynalite Multipurpose Controllers

DMR316-RCBO-CE

Within any project, many different lighting load types may be required to achieve a desired result. Each of these load types may require a different style of control. The Dynalite range of multipurpose controllers allows customisation of output types via different output module units. When using DIN-rail multipurpose controllers, a specific type of control can be chosen for each circuit: relay, leading-edge dimmer, trailing-edge dimmer, driver control, controller with out-of-the-box functionality, fan control and blind/screen control. In any combination, multiple load types can be controlled from a single device. This simplifies installation and prevents wasted capacity of circuits that are not required.

Product data

Approval and Application	
Remarks	Please download the Lighting – Product Data Sheet for more information and ordering options
Product Data	
Order product name	DMR316-RCBO-CE
Full product name	DMR316-RCBO-CE
Full EOC	871869600711200
Order code	913703667009

Material no. (12 NC)	913703667009
Local order code	DMR316
Numerator – quantity per pack	1
Net Weight (Piece)	1.770 kg
EAN/UPC – Product/Case	8718696007112
Numerator – packs per outer box	1
EAN/UPC - Case	8718696014615
