

Group Dimming, Programmable Dimming, Controlling using Fixed Calendars, Astro Clock, Photocells (Central/Individual) , Alarms

Signify Group Cabinet Control enables remote grouping, monitoring, and controlling of diverse outdoor luminaires. Customers can control their lighting installations, through a retrofitted modular cabinet solution at the electrical cabinet. Supports optimized energy consumption and manages KPIs better. The solution autonomously executes complex tasks based on the configurations. The Controller can automatically switch between different available communications carriers to provide stable and reliable communications to Interact application(s).

Warnings and Safety

- Refer to Documentation portal for all technical documents (<https://www.sns.portal.signify.com/internal/index.html/>);
- Check the local LTE band applicable before placing an order for the controller;
- No UL certification in Gen3+ controller and modules;
- Update forecast for Gen3+ in Koolog tool to ensure on-time delivery for projects

Mechanical and Housing

Net Weight (Piece)	3.100 kg

Product Data

Order product name	LCU7720/00 Coded Mains Transformer LL
Full product name	LCU7720/00 Coded Mains Transformer LL
Full product code	871869672389000
Order code	913713611880
Material Nr. (12NC)	913713611880
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8718696723890
Numerator - Packs per outer box	4
EAN/UPC - Case	8718696723906
