## SmartBright Floodlight G2

SmartBright Floodlight High Power provides comfort and high quality light, by transforming conventional floodlights to LED, achieving significant energy and maintenance savings. With the IP65 protection class, the luminaires are not affected by the harsh outdoor conditions in open storage areas, open car parks, carpet fields and high mast area lighting. It provides fast payback by reducing operational and energy costs thanks to its 100 lm/W efficiency value and 30,000 hours useful lumen life.
