

Energy-efficient lighting for industrial and commercial applications

Greenperform Batten

GreenPerform Batten BN208C Dali is a high quality LED batten that delivers significant energy savings of up to 50% comparing to conventional T8 battens. BN208X incorporates the reliable structure, long lifetime LED lighting, and the global standard ZigBee control system, to achieve an easy-to-use networked solution. In the mean time, it helps to further increase energy saving maximum to 80% with daylight harvest and occupancy sensor.

Benefits

- High energy saving – up to 50% comparing to TL-8 batten
- Comfort light with accurate colour
- Safe and reliable
- Installation Flexibility
- Networking lighting
