TruGroove Micro Shapes by Ledalite

Suspended architectural luminaires

The sleek design of TruGroove Micro's **1.75 inch aperture** takes form with open and closed shapes.

Each shape is **continuously illuminated** through corners and intersections.

Vertical illumination is delivered from these smooth open V shapes. 45° and 60° also available.

Single-point or multi-point mounting styles are available.

TruGroove Micro Shapes are suspended as **standalone fixtures** that can accent your space.

Choose from **black, white, graphite, and titanium standard finishes** or work with our team on a custom option.
