

New Westminster LED Post Top (NWS)

Lumec New Westminster LED small post top luminaire charms with its pure and symmetrical shapes, reminiscent of a ring topped with a pearl. This luminaire receives only praise for its curves, which enhance any environment and add ambiance, as well as for its sturdy design, and advanced photometric performance. With its eternal styling, the New Westminster luminaire is ageless. Powered by TrueForce LED lamp, New Westminster provides longevity and energy saving. TrueForce LED lamp is shipped with the luminaire.
