

Modern rustic design built to perform

Ancestra LED pendant Comfort (AT50-C)

The Lumec Ancestra LED post top and pendant luminaires present a new twist on an old-fashioned design. By combining the best aspects of past and present forms with the best that modern technology has to offer, the Ancestra luminaires epitomize Lumec's design philosophy beautifully: to combine the best technology with an elegant design. Ancestra luminaires are now available with comfort optics, providing a low glare solution for pedestrian applications.
