Hagerstown LED post top Comfort (TX03C)

Hadco's Hagerstown LED post top gives you the ability to create a unique style through our modular post top concepts to blend into any residential and historic urban settings. With the latest LED technology you can seamlessly replace traditional HID technology to maximize energy savings and significantly reduce total cost of ownership. The Hagerstown luminaire provides excellent uniformity, traditional customizable look, with the benefits of modern technology. Hagerstown is now available with comfort optics, providing a low glare solution for pedestrian applications.

Benefits

- Comfort optics provide low glare solution to improve visual comfort
- Offers design flexibility with a variety of pods, finials and finishes
- Multiple distribution options and lumen packages suitable for several applications
- IP66 rated optical chamber and LED driver ensure lasting durability and reliability
- Dimming controls available for additional energy savings during off-peak hours
