Linear

TruGroove suspended,
surface, and wall micro

The TruGroove
family is growing...

by shrinking...

Already available in recessed and now in suspended, surface, and wall, the TruGroove micro family provides clean lines of powerful illumination from very small housings with 1.75" apertures.

Enabling endless possibilities

- Declutter your ceiling without sacrificing performance
- Control glare with MesoOptic lens or louver options
- Achieve excellent color rendering with AccuRender CRI90 as standard
- Experience flexibility in optic configuration, distribution, and mounting type for various applications
- Create custom patterns or continuous runs with ease
- Enjoy numerous color options in both housings and louvers

Offering 20+ optical distributions*
