Field selectable luminaire price guide

2025

A long history of excellence

A legacy of innovation, disruption, and lighting manufacturing in North America spanning over 120 years, Genlyte Solutions and its collection of cutting-edge indoor and outdoor luminaires, LED lamps, and connected lighting systems and controls brands are leading the transformation of lighting and sustainable values for the modern world.

These brands include Lightolier, Day-Brite CFI, Ledalite, Lumec, Hadco, Gardco, Keene, Bodine, and Alkco. Signify lighting controls and IoT platform (Philips Dynalite, Interact and BrightSites), as well as the architectural lighting brand Color Kinetics and LED lamps and Electronics under the Philips and Advance brands.

Quick and reliable service out of our two distribution centres and two manufacturing facilities.

Find just what you need

Our Stock Ready portfolio makes it easy to find just what you need. Our products are designed for easy ordering through the [MyLighting](#) portal. Stock Ready products are easy to install with minimal steps, and competitively priced to meet the demands of budget conscious projects focused on cost and energy. Distributors can also benefit from our Stock Ready program which offers deals on freight, guaranteed sales, price change reimbursement, delistment notifications, marketing support, merchandising, and more.

Certifications & labels

Fewer SKUs = Greater Profits

With the unique convenience of adjustable color temperatures and/or lumen outputs, our new field selectable product line makes it easy to always have the right product for the job.

Field Selectable products give you the added benefit of carrying one SKU versus multiple SKUs, keeping your inventory low and turns high. These field selectable products are priced right and are all part of our Stock Ready offering!
