

EFFECTIVITY DATE: SEPTEMBER 2024

Limited Warranty: Bodine Emergency Lighting

Signify North America Corporation (“Signify”), 1125 Schilling Blvd. East, Suite 108, Collierville, TN 38017, warrants that its products (hereinafter “Products”) will be free from defects in material and workmanship from the date of manufacture by Signify North America Corporation for the products' warranty period.

Warranty period varies by product. Please see the table on Page 2 of this document and/or the product spec sheets for details. Contact Bodine at 1-888-BODINE-8 with questions.

This warranty is further conditioned upon proper storage, installation, use and maintenance. This warranty is not applicable to any Product which is not installed and operated in accordance with the National Electric Code (NEC), the Standards for Safety of Underwriters' Laboratories, Inc. (UL), the Standards for the American National Standards Institute (ANSI), or, in Canada, the Canadian Standards Association (CSA), and with Signify instructions and guidelines for the Product. This warranty does not apply to damage or failure to perform arising from abuse, misuse, abnormal stresses and operating conditions, lightning, electrical surges or acts of God. This warranty only applies to Products purchased and installed in the US, Canada and Mexico.

This warranty only flows to the original purchaser or first end-user purchaser. If a Product covered by this warranty fails to conform to this warranty and is returned by purchaser in accordance with Signify published Return Policy during the warranty period, Signify will, at its option, either repair or replace the Product or the non-conforming part thereof, or reimburse the purchaser for the purchase price of the specific Product. For purposes of clarity, “repair or replace the Product or the non-conforming part thereof” does not include any removal or reinstallation costs or expenses, including without limitation labor costs or expenses. If Signify chooses to replace the Product and is not able to do so because it has been discontinued or is not available, Signify may replace it with a comparable product.

THE WARRANTIES AND REMEDIES SET FORTH HEREIN ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES WHETHER, EXPRESS OR IMPLIED, INCLUDING ALL WARRANTIES OR MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND ALL WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OR TRADE. Purchaser's exclusive remedy, and Signify sole liability, for any nonconformity or defect in any Product shall be only those explicitly set forth herein.

LIMITATION OF LIABILITY: Signify will not under any circumstances whether as a result of breach of contract, breach of warranty, tort, strict liability or otherwise be liable for consequential, incidental, special or exemplary damages, including but not limited to, loss of profits or revenues, loss of use of the Product or any other goods or associated equipment or damage to any associated equipment, cost of capital, cost of substitute products, facility of services, down time cost, or claims of claimant's customers. Signify liability on any claim of any kind for any loss or damage arising out of, resulting from or concerning any aspect of this warranty or from the product or services furnished hereunder shall not exceed the price of the specific Product which gives rise to the claim.

Limited Warranty: Emergency Lighting

	B90 and B100	1 Year Full

*Warranty period commences on date of manufacture and is subject to operation within allowed specified conditions (see product spec sheet, installation instructions and application/design-in guides).

BATTERY STORAGE AND RECHARGING:

In order to maintain battery life and ensure product batteries have enough charge to run production testing, it is recommended to recharge them after six months in storage. In addition, storage temperature can impact this recharge timing. If products are stored at higher temperatures, for example, in a non-air-conditioned warehouse, the storage time before recharging will be less.
